

2010 Docent Training Reference Materials

Reference Material for each Training Session is shown below. Reviewing these materials prior to each session will enhance your learning experience. The references include the required Docent Manual , (Revised 2008) and other materials available in either the Museum's library or Gift Shop. Highly recommended are 2 books available in the Gift Shop: "Star of India, The Log of an Iron Ship" by Jerry MacMullen, and "Medea" The Classic Steam Yacht by Craig Arnold. Your membership discount is available. A third book, no longer in print but sometimes available on the internet is "Euterpe", compiled and edited by Craig Arnold is also highly recommended. You may also be able to borrow the above books from some of the current Docents.
