

Maritime Museum of San Diego

Reproductions

The pricing structure for the reproduction of items in our collection is designed to maintain the integrity of our collection as well as cover the cost of staff time and materials used. Permission for the reproduction of items in our collection is always at the discretion of the librarian and archivist. Researchers should note that in some cases copyright restrictions prohibit the reproduction of documents and images in our collection.

Photocopies:

50 cents per page. For under 20 pages this cost includes postage. For more than 20 pages, postage will be calculated and added to the total.

Ships' Plans:

Plans may be reproduced on paper and / or in digital format.

All requests must be accompanied by a permissions form.

Cost for the first sheet in a series: \$25.00

Each subsequent sheet in a series: \$10.00

Costs include postage if so desired.

Photographs:

For Publication:

For Reproductions intended as part of a publication:

Each application must be accompanied by a permissions form.

Images will be provided in digital format only.

Cost per image:

Production Cost: \$25.00 (non-profit); \$35.00 (for profit)

Use fee: \$25.00 (non-profit); \$50.00 (for profit)
